

2017 Saint Saviour High School Alumnae Newsletter

Join us on Sunday, June 11, 2017 for the 100th Anniversary Celebration of Saint Saviour High School!

With two months to go before our big 100th Anniversary Celebration and over 160 alumnae registered, we wanted to address some questions that have recently come up about our June 11 event at Gargiulo's Restaurant:

How does the seating work?

The event is open seating; so you can sit with your family, friends or classmates - whatever works best for you!

What is the schedule for the day?

Doors will open at 2:30 pm with a full cocktail hour including open bar and hot/cold appetizers. Blessing will be at 4pm and this is a sit down dinner with an open bar. We plan to have three speakers at the event.

Winning bidders for the auction items will take place at 5:30 pm and our 50/50 winner will be announced. Dessert will be served following the announcement of the winners.

We plan to be done around 6pm.

Who is attending?

[Click here for the list of attendees.](#)

Is there parking by Gargiulo's?

Gargiulo's does have a parking lot and valet parking. You can park on the street but it is very limited.

Can I buy merchandise at the event?

Yes! We will have Saint Saviour themed merchandise available for sale at the event.

Can I buy an ad in the program?

Yes! [Click here for details.](#) All ads must be submitted by May 1 for inclusion in the program, We will not accept any ads after May 1.

I have something that I would like to donate towards the auction. How do I do this?

Great! We plan to have 10 items to auction. We are looking for items such as gift cards, restaurant gift certificates, jewelry or purses/bags. Please contact Christine Bove at bove.c@stsaviour.org or 718-768-4406 x21.

My Class is interested in making a class gift towards the 100th Anniversary. How do we do this?

Awesome! Class gifts are most welcomed. If you would like to reach out to your class, we will work with you via your class captain. Contact Christine for more information.

**We look forward to seeing many alumnae and friends at
[Gargiulo's Restaurant](#) on June 11!**

We are excited to announce that Carmen A. Pacheco, Esq., Class of 1977 will be our graduation speaker in June!

Carmen owns the law firm Pacheco & Lugo in Brooklyn. Pacheco & Lugo, PLLC is the first women owned Hispanic law firm in New York established at One World Trade Center in 1992. The law firm provides high quality and cost efficient legal services to members of the Wall Street community and small and medium sized businesses. The firm assists entrepreneurs and business enterprises in the strategic startup and development of a business.

Carmen spoke at our Law Networking in 2015 and we are excited to have her back as our graduation speaker.

The text on the poster includes: "CHERUBS The association of congenital diaphragmatic hernia research, awareness & support", "CHERUBS CDH 5K", "SATURDAY MAY 6TH, 2017", "ROCKAWAY BEACH BOARDWALK, 102ND STREET", "9:00am to 10:15am | Race Registration Registration and bib pick up at Community House", "10:30am | Diaper Dash", "10:45am | Kids Race", "11:00am | Adult 5K Walk/Run Carriages are welcomed", "COMPLIMENTARY BEER TO FOLLOW AT COMMUNITY HOUSE", "101-19 Rockaway Beach Blvd, Rockaway Park, NY 11694", and "For Additional Information Contact Jean Marie Williams at 646-335-6349 or visit: WWW.ROCKAPULCORUN.COM".

In August 2016, Alumna Jean Cutrone Williams '02 gave birth to a baby boy - Ryan - who was born with a Congenital Diaphragmatic Hernia, a condition where the diaphragm does not fully form, allowing the abdominal organs to enter the chest cavity and prevent lung growth. CDH has a 50% survival rate so little Ryan is a miracle!

Jean and her family are hosting a run on May 6 to raise money for an organization called CHERUBS, which raises money and awareness for this condition. Jean feels extremely blessed to be one of the lucky ones and wants to do something to give back to others who are going through the same thing.

Support Jean by donating or running the race on May 6 in Rockaway.

Our test group of Chromebooks have arrived and our

As you may have read in our recent email, we are launching a new Chromebook program at Saint Saviour. Chromebooks are internet based computers which use Google as the operating system. Having these in the classroom will enhance the learning experience for both teachers and students beginning in the 2017-18 school year.

Each Chromebook costs \$385 per student and we are looking to raise \$77,000 to cover the costs. While some funds will come from the 100th Anniversary, we are about \$50,000 short of our goal.

Can you help us by making a gift as we

teachers are learning to how use them in the classroom.

move towards the next 100 years at Saint Saviour High School?

Monies raised at the 100th Anniversary celebration will also help fund this project.

Does your company match gifts? If so, that can double your donation!
