Mother Daughter Luncheon - Help Needed

We need your help filling 75 baskets for Saint Saviour's Mother Daughter Luncheon which takes place on Saturday, April 1 at Gargiulo's Restaurant.

Do you own your own business or provide a service? Have some gift cards from Christmas that you cannot use? Frequent local restaurants and businesses? Ask them for a gift certificate to give away at the event! Please help us by donating so we can fill our baskets which are raffled off at the event. Any items - big or small - are welcomed! This is a huge fundraiser for our school! Last year, we raised just over \$15,000 and this year, we are hoping to raise \$20,000!

We are also looking to raffle off some big items like a Fitbit, Surface Pro and Beats Wireless earphones. If you can help us with a discount to purchase these - let me know!

Congrats to Chelsea '14!

Congrats to Chelsea Miller '14, currently in her 3rd year at Columbia University, who spent her fall semester interning at the White House! A White House Internship provides a unique opportunity to gain valuable professional experience and build leadership skills. Interns work in one of several White House departments, including the Domestic Policy Council, the National Economic Council, the Office of Cabinet Affairs, the Office of Communications, the Office of Digital Strategy, the Office of the First Lady, the Office of Legislative Affairs, the Office of Management and Administration, the Office of Political Strategy and Outreach, the Office of Presidential Correspondence, the Presidential Personnel Office, the Office of Public Engagement and Intergovernmental Affairs, the Office of Scheduling and Advance, the Office of the Vice President, the Office of the White House Counsel, and the President's Commission on White House Fellowships.

Welcome back Evelyn '51!

In early December 2016, we were happy to welcome home alumna Dr. Evelyn Feudale Allen '51! Thanks to donations from Dr. Allen, who was heavily influenced by Sr. Mary Louis, we have established the Sr. Mary Louis Whalen Scholarships for high achieving students in the sciences at Saint Saviour. Evelyn is shown here in the same seat from her days at SSSHS in the Chem Lab!

In the 1940s, Saint Saviour High School had a special faculty member named Sr. Mary Louis. She came to Saint Saviour in 1942 (right at the start of WWII) and stayed through 1950. According to our yearbooks, during this time, our chemistry lab was built to meet the needs of a wartime world. The 1st Chemistry class had only 11 students and this course led many students to choose careers as nurses, technicians & research chemists.

Happy Birthday Rose '41!

Happy 94th Birthday to alumna Rose O'Loughlin Dunn '41! Rose is pictured with her family - all Saviourites: sister Clare '47, daughter Meg '74, granddaughter Alana '10, grand-niece Sandra '92, and niece Dianne '68.

Panda Love from the Class of '73!

Panda Pride

Alumna, business owner and Board of Advisors member, Regina Lian Iulo '76 has been mentoring a few recent SSHS grads: Left to right: Courtney LaRoche '13, Regina Iulo '76, Julita Kolcio, and Adrielle Cabahug '13.

Courtney is currently completing her degree at Baruch and surveyed Ms. Iulo's business as part of a managerial communications class. Adrielle has been working with Ms. Iulo's company part-time since 2013 (while completing her degree at Baruch) and got her start as an intern in her senior year at SSHS.

To quote Regina, "The SSHS grads are wonderful!"

Panda Pride

Thank you to all of recent grads for coming back to speak with our students!
