## Notes from the Guidance Office

### ***An Appeal to Senior Parents***

We have been encouraging your daughters to bring us their college scholarship letters. Most have done so but we know that there are still a few who are modestly holding out. The graduation program is shortly going to the printer so we urgently need this information. Please check with your daughter to ensure that she takes care of this by Monday, May 8 so we can include this in the program.

### ***Mrs. Palmer's newschedule***

As you all know, Mrs. Palmer had a baby girl last August. She has been back at work full time since Thanksgiving but she has now requested, and been granted, part time status in the guidance department. Very understandably, she and her husband have decided that she should spend as much time as possible with their baby, Emma.

Effective immediately, therefore, Mrs. Palmer will be in school on Tuesdays, Wednesdays, and Thursdays. She will maintain the same roster of students and in all

other respects the department will continue to run as usual. Please don't hesitate to contact Mrs. D'Emic if you have questions or concerns on days when Mrs. Palmer is not here. We wish her lots of joy with this new arrangement.
