## Welcome back Sr. Kathleen

On Tuesday, October 25 at our Respect for Life Mass, Sr. Kathleen Carberry '59, CSJ spoke to our students about her experiences as the Director of the CSJ Learning Connection for Adult Education sponsored by the Sisters of Saint Joseph and affiliated with the Brentwood Public School District.

The Learning Connection aims to provide tools to empower women who are under-educated, lack a high school diploma, or speak languages other than English. In a multicultural, non-competitive setting, participants follow the course of study suited to their needs, abilities and personal goals. During the 2014- 2015 school year, 292 women, mostly from Latin America, attended The Learning Connection programs. They represented 18 countries

and spoke six different languages.
