From the Principal's Office

Greetings from 6th Street,

When I get asked the question: what makes Saint Saviour different from other schools, so many things come to mind, but I think what sticks most is the people that walk the halls here every day. Saint Saviour is more than an all-girls Catholic high school in the heart of Park Slope. We are a community that remembers our past and embraces our future. I am excited to share our vision for a bright future with you.

At Saint Saviour, we believe in empowering young women and fostering an environment where every girl can thrive. Our Annual Fund will be used for the purpose of technology improvements and scholarship.

In a rapid evolving world, providing our students with cutting edge technology is crucial to their success. Your support will enable us to invest in state of the art resources, ensuring that our girls have access to the tools they need to excel academically and prepare for the future.

Saint Saviour's scholarship program is committed to making quality education accessible to every deserving young woman. Your donation will directly impact the lives of talented students, providing them with the opportunities to follow their dreams and achieve academic excellence.

Thank you for your support of Saint Saviour HS' Annual Appeal,

Mrs. Carolann Timpone
Principal, Saint Saviour High School

From the Advisory Board

December 2023

Dear Friends of Saint Saviour High School,

On behalf of the Advisory Board of St. Saviour High School, I am happy to have the opportunity once again to write to you. This Annual Report speaks highly of the support and encouragement of you, our donors and friends. Your support has allowed the administration and teachers to continue the fine work that they do with the young women of SSHS. Your donations allow the teachers and administration to purchase materials to supplement the extensive curriculum that is offered at St. Saviour. You have helped with improvements to the building and additional monies towards the operating budget of the school. We sincerely thank you for all that you have contributed.

When you look on Social Media and see all that is happening on a daily basis to educate the young women of St. Saviour, you cannot help but be impressed and proud. Their academic programs are filled with courses that are broadening their minds and inspiring their hearts. They are being challenged to learn and to be confident in themselves and the education that they are receiving. The broad range of colleges and universities that they move on to each year speak loudly for the level of achievement that is evident at St. Saviour High School.

The spirit of St. Saviour is alive and well. Savourites work hard and play hard. The sports programs and extracurricular activities provide education and enjoyment beyond the classroom. The students can choose what interests them and thus continue to broaden their skills and enhance their world.

St. Saviour has prepared so many of us to pursue our dreams and accomplish even more than we ever thought that we could. Thank you for helping to provide the present and future young women of St. Saviour High School with the same opportunities.

I wish you all a very happy and blessed Christmas. May your New Year be filled with love, peace and joy.

Sincerely,

Geri Martinez '64
St. Saviour High School Advisory Board
Chairperson

The Margaret Mary Wolfe '37 Society

Named in honor of Saint Saviour High School's largest estate donation, the Margaret Mary Wolfe '37 Society celebrates and recognizes Saint Saviour High School's donors who have expressed their long term commitment by including Saint Saviour High School in their will.

Your membership involves no dues, obligations, or solicitations, but it does allow us to thank you and recognize you for the plans you have made, and it may inspire generosity in others.

The most important benefit you will receive from joining the Margaret Mary Wolfe '37 Society is the happiness resulting from making a long-lasting gift towards the success of Saint Saviour High School. Once you complete your estate plans, please let us know so we can include you in this club. Please contact the Advancement Office at 718-768-4406.
